## Professional Summary

Computer Science and Engineering (Artificial Intelligence) student with hands-on experience in Full Stack Development, Artificial Intelligence, and Software Engineering. Built and deployed AI-powered web applications using React.js, Node.js, Python, Firebase, and REST APIs. Strong understanding of Data Structures, Algorithms, Database Management Systems, and modern web technologies. Passionate about solving real-world problems through technology and seeking opportunities in Software Development and AI Engineering.

## Skills

**Programming:** Java, Python, JavaScript, SQL, HTML, CSS

**Frameworks & Libraries:** React.js, Node.js, Express.js, Firebase, REST APIs

**Tools & Platforms:** Git, GitHub, VS Code, WordPress, MySQL

**Core Subjects:** Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks

## Education

**IIMT College of Engineering, Greater Noida**

Aug 2023 - 2027

B.Tech in Computer Science and Engineering (Artificial Intelligence)

Affiliated to Dr. A.P.J. Abdul Kalam Technical University (AKTU)

## Project Work

- **Hospital AI**  
Developed an AI-powered healthcare assistant capable of answering health-related queries and providing medicine information. Integrated AI APIs with Firebase backend for real-time responses and data management. Technologies: Node.js, JavaScript, Firebase, AI APIs.
- **SkillForge AI**  
Built an AI-powered platform that transforms project ideas into structured development plans and implementation workflows. Designed responsive UI and backend integrations using React.js, Node.js, Python, and Firebase.
- **DevHubs**  
Designed a freelancer and developer collaboration platform featuring project bidding, premium memberships, and project discovery. Focused on scalable architecture and user-centric design.

## Experience

- **Web Developer Intern | Incaendo Technologies**  
Worked on front-end and back-end development projects, developed responsive web interfaces, integrated APIs, and collaborated with team members to deliver production-ready applications using HTML, CSS, JavaScript, and Node.js.

## Certificates

- Web Developer Internship Certificate – Incaendo Technologies

## Certificates

- Foundations: Data, Data, Everywhere | Google (via Coursera)
- Computer Vision in Microsoft Azure | Microsoft (via Coursera)
- Building Data Lakes on AWS |(via Coursera)
- German learning course| (via Henry Harvin)
